Job Posting Title:

Full Time Lead (3rd key), Arribas Brothers at Walt Disney World, Retail Specialty Shops

Company Information:

The Arribas Brothers began in a small shop in the castle at Disneyland in 1967. Our Cast Members create experiences for Guests as they watch the demonstrations of glass blowing and engraving in our shops throughout the world.

Job Description:

We are looking for a dynamic leader to work in our stores. This position is perfect for people that like to interact with Guests from all over the world and manage a team to do the same.

This is a full-time position that requires open availability, although requests are certainly available. It comes with our current benefits program and other Company discounts as well as the current perks available from Disney and Arribas Brothers. Opening is usually between 8am-10am and closing 9m-12am, depending upon the location. Time before opening and after closing is most often 30 minutes or less. There are several special events in different guest areas that change this periodically but are usually known well in advance.

Requirements:

*At least 1 year of experience as a successful leader in a retail location

*At least 2 years in a retail location

Preferred:

*Specialty merchandise experience (i.e. - jewelry, art, product knowledge-based sales)

*Guest Service training and experience with a company that drives results through service.

Responsibilities are:

*Being the support to the store manager in all operational and service aspects

*Ensuring the Cast is given the support needed to optimize the day in service and sales.

*Following all operational and directional priorities as a role model for the cast.

*Supervisory and management functions

Upholding personal accountability to the following and holding the cast accountable to:

*Giving Excellent Guest Service Experiences

*Keeping the merchandise clean and organized

*Safety

*Teamwork and contributing to a positive employee environment

*Following direction from management
*Productivity
*Contributing to making sales goals
*Following all policies and procedures
*Time and Attendance adherence
*Loss prevention behaviors
